**INNOVATION AND  
ENTREPRENEURSHIP  
DEVELOPMENT CENTRE**

# **MET'S SCHOOL OF ENGINEERING**

**INNOVATION AND ENTREPRENEURSHIP  
DEVELOPMENT CENTRE (IEDC)**

## **IEDC Member Eligibility Criteria**

To ensure a passionate, skilled, and committed team, the following eligibility criteria must be met by all applicants:

---

### **1. General Requirements**

- **Enrollment Status:**

Must be a full-time student enrolled in any undergraduate or postgraduate program at the college.

### **2. Experience & Participation**

- **Minimum Participation Required:**

Applicants **must have actively participated in at least any two (2)** of the following:

- Hackathons (Online or Offline)
- Idea Pitching Competitions
- Innovation or Entrepreneurship-related Workshops/Seminars
- **Note:** Proof of participation (certificates/screenshots/organizer confirmation) must be submitted along with the application.

### 3. Skills and Contribution

- **Skill Sets (Preferred but not mandatory):**
  - Programming / App or Web Development
  - Design (Graphic/UI-UX)
  - Marketing & Social Media Handling
  - Event Management
  - Content Writing & Public Speaking
  - Business/Startup Planning
  - Finance and Data Analytics
- **Diverse Backgrounds Welcome:**

Students from all streams and departments are encouraged to apply, as long as they show interest and initiative.

#### 4. Interest and Commitment

- **Entrepreneurial Mindset:**

Must demonstrate a genuine interest in innovation, entrepreneurship, or startup culture.

- **Time Commitment:**

Should be ready to actively participate in IEDC events, team meetings, and contribute to ongoing projects.

- A minimum 80% participation in club activities/events is expected.

#### 5. Selection Process

- **Application Form Submission:**

Candidates must fill out a detailed application form explaining:

- Motivation to join IEDC
- Their relevant experience and skills
- Ideas or contributions they can bring to the team

- **Interview/Screening Round:**

Shortlisted applicants will be invited for a personal interview or group discussion to assess communication, leadership potential, and fit within the team.

## 6. Conduct and Ethics

- **Team Player:**

Must be open to working in teams, taking initiatives, and respecting others' ideas and time.

- **Professionalism:**

Must uphold high ethical standards, meet deadlines, and contribute positively to the IEDC brand and community.
